BILLS SUPPLEMENT

to The Uganda Gazette No. 22, Volume CXVII, dated 27th March, 2024

Printed by UPPC, Entebbe, by Order of the Government.

Bill No. 22 *Persons with Disabilities (Amendment) Bill* **2024**

**THE PERSONS WITH DISABILITIES (AMENDMENT)
BILL, 2024**

MEMORANDUM

1. Policy and principles of the Bill

The policy behind the Bill is to give effect to the Government Policy for Rationalisation of Government Agencies and Public Expenditure (RAPEX) which was adopted by the Cabinet on 22nd February 2021.

2. Defects in existing law

The Constitution establishes a definite number of Government agencies, including constitutional commissions, authorities, boards, local councils and other statutory bodies. These were established to perform certain specified constitutional functions. Over the years, however, there has been a proliferation of agencies established by Acts of Parliament, Executive Orders and administrative arrangements. Whereas most of the agencies are necessary due to the critical nature of the functions they perform, Government has established that a certain limited number of agencies were established without due consideration to the aspects of institutional harmony, functional duplications, overlaps and affordability. Government has also established that some agencies have served the purpose for which they were established. The mandate of a few other agencies has been overtaken by events. Such agencies need to be rationalised.

More importantly, the proliferation of agencies has created mandate overlaps and jurisdictional ambiguities among the agencies. Additionally, the high cost of administering the agencies has drained the national treasury at the expense of effective service delivery. This has overstretched the capacity of Government to sustain them. Government has also established that the generous salary structures of the agencies has created salary disparities between employees of the agencies and public officers in the traditional civil service leading to demotivation of human resources in the mainstream public service.

3. Remedies proposed in the Bill.

The intention of the Bill is to amend the Persons with Disabilities Act, 2020, Act 3 of 2020, to—

- (a) enable the mainstreaming of the functions of the secretariat of the National Council for Persons with Disabilities into the Ministry responsible for special interest groups which shall be responsible for providing secretariat functions to all special interest groups' councils, thereby, *inter alia*, relieving the Government of the financial drain on its resources and the burden of wasteful administration and expenditure on various secretariats for special interest groups' councils;
- (b) facilitate efficient and effective service delivery by clearly delineating the mandates and functions of the ministry responsible for special interest groups, thereby avoiding duplication of mandates and functions;
- (c) promote coordinated administrative arrangements, policies and procedures for—
 - (i) ensuring the efficient and successful management, financial accounting and budgetary discipline of government agencies and departments;

- (ii) enabling the Government to play its proper role more effectively; and
- (iii) enforcing accountability.

4. Provisions of the Bill

The Bill has 10 clauses. Clause 1 of the Bill provides for the interpretation of the terms used in the Bill. Clause 2 of the Bill provides for the objectives of the Bill. Clause 3 provides for the purpose of amending the Persons with Disability Act, 2020, Act 3 of 2020, which is to dissolve the secretariat for the National Council for Persons with Disabilities established by Act 3 of 2020 and transfer the objects and functions of the secretariat to the Ministry responsible for special interest groups (Ministry of Gender, Labour and Social Development). Clause 4 of the Bill seeks to dissolve the secretariat for the National Council for Persons with Disabilities. The rest of the clauses of the Bill seek to implement the dissolution of the secretariat for the National Council for Persons with Disabilities and the transfer of its functions to the Ministry responsible for special interest groups.
