

Bill No. 24 Electoral Commission (Amendment) Bill 2015

THE ELECTORAL COMMISSION (AMENDMENT) BILL, 2015

MEMORANDUM

1. Object of the Bill

The object of this Bill is to amend the Electoral Commission Act, Cap 140 to re-designate registrars as district election administrators and provide for the commission to specify their duties; to provide for the commission to appoint assistant returning officers; and to provide for related matters.

2. Defects in the existing law

Section 18A of the Electoral Commission Act requires the commission to transmit a photo-bearing copy of the voters' register to every political party or organization in Uganda. This requirement has cost, storage and handling challenges for the Commission yet some political parties and organization do not collect or use the register.

In addition, section 21, 22 and 23 provide for the commission to appoint registrars and assistant registrars whose duty is to maintain and update the voters' register.

The duties of registrars and assistant registrars are by law limited to registration of voters and maintaining and updating the voters' register yet they may be allocated other duties by the commission in the electoral process.

Sections 31 and 32 provide for the returning officer to appoint and replace assistant returning officers, instead of the Electoral Commission which has the overall and constitutional responsibility of managing electoral activities in Uganda.

3. Remedies

The Bill seeks to provide for the commission to transmit an electronic text based copy of the voters' register without the photographs, to reduce the cost of making the copies of the register available to political parties and organisations.

The Bill seeks to re-designate registrars as district election administrators and to provide for them to maintain and update the voters' register and assist the commission to manage other activities in the electoral process.

The Bill further seeks to remove the appointment of assistant returning officers from returning officers and to vest that power in the Commission.
