MINISTERIAL RESPONSE TO THE PARLIAMENT OF THE REPUBLIC OF UGANDA ON LACK OF HEALTH CENTRE IIIs IN ALL THE THREE DIVISIONS ON NEBBI MUNICIPALITY

Rt. Hon Speaker and Hon. Members, reference is made to the question asked by Hon. Sulaiman Hashim, Member for Nebbi Municipality as to when Government is planning to ensure that all Divisions in Nebbi Municipality have Health Centre IIIs.

Rt. Hon. Speaker it is true that two out of the three division i.e. Abindu and Thatha Divisions in Nebbi Municipality do not have Health Centres. However, Nebbi General Hospital serves as the Primary Health Care facility for the population in Central Division.

Rt. Hon. Speaker whereas the Ministry of Health policy is to have a functional Health Centre III in every Sub-county / Town Council / Division in a Municipality, the 2017 Master Health Facility List showed that there were 93 Sub-counties / Town Councils / Divisions without any health facility and with the creation of new administrative units the number has increased to 132. **(List is attached as Annex 1).**

In fulfilment of the NRM Manifesto, Presidential Directives, National Health Policy and Health Sector Development Plan (HSDP 2015/16–2019/20), the Ministry of Health is still committed to ensuring that all Sub-counties / Town Councils / Divisions have functional HC IIIs.

Rt. Hon. Speaker in June 2018, the Ministry of Health submitted to the Ministry of Finance, Planning and Economic Development a proposal for funding construction of Health Centre IIIs in the 132 Sub-counties / Town Councils / Divisions without any health facility. If this funding is secured it will cater for the SCs/divisions/TCs without HC IIIs including Abindu and Thatha Divisions in Nebbi Municipality.

Rt. Hon. Speaker as such the construction of Health Centre IIIs in the Sub-counties / Town Councils / Divisions without shall commence when funding is available.

Rt. Hon. Speaker, I beg to submit.

Dr. Aceng Jane Ruth
